Be Part of the Solution to Stormwater Pollution!

In an effort to continually do our part of reducing debris making its way into our Quittie, the Borough and Borough Authority have increased street sweeping from four to eight sweepings in 2016. ***In order for this to be effective; we need your help!*** Please mark your calendars for the date the street sweeper will be cleaning your street. We have scheduled street sweepings on the second full week of each month to help you remember to have your car off the street by 7:00am the day of your schedule street sweeping. Thank you for keeping grass clippings out of the street. Please continue to clean up cigarette butts, trash and other debris from your curb, keeping toxins and debris from making their way into the stream. NATIONAL NIGHT OUT IS BACK IN CLEONA!

Cleona Park is the place to be on **August 2, 2016**, for National Night Out! Plenty of activities have been scheduled from 6:00pm to 8:00pm. The concession stand will be open with all proceeds going to the Cleona Park and Rec. Come out and support your Police and Fire Department!

Fire Siren

The new fire siren has been installed on Meyer Oil's property. The Fire Company and the Borough have been working together to determine whether the siren will be used just for civil defense or for fire calls. Please look for additional correspondence in the coming months.

Keeping our Borough Beautiful

Elizabeth Lindsay, Code/Police Councilwomen, continues to encourage residents to keep their properties free from rubbish and debris. Spearheaded by the Mayor and Chief of Police, the Police Department has taken a more direct role in monitoring minor weed, grass and rubbish debris in an effort to contain costs. Grass must be kept under six (6) inches in height. Regular weeding stops the weeds from going to seed and spreading not only to other areas of your yard but also your neighbor's yard. Below is the agreement with North Cornwall to help you dispose of your green waste.

Trees shall be kept trimmed and pruned at a minimum of eight (8) feet over a sidewalk and fourteen (14) feet over a public highway. Please keep your shrubs trimmed so they do not hinder signs, streets, or pedestrians walking along your sidewalk.

Your help in this area is appreciated. Not only do your neighbors appreciate your efforts but emergency vehicles can navigate safely when responding to an emergency. Keeping the line of sight open for motorists prevents accidents.
