Fall Leaf Clean-Up

Leaf clean-up has already started for 2016! Just a reminder that *leaves only* should be placed 6-12 inches from the curb before 7:00 am the day of collection. Please do not place sticks, grass clippings or other debris in with the leaves. Scheduled times are below:

Southwest	Tuesdays		Northeast	Thursdays
Southeast	Wednesdays		Northwest	Fridays

Dividing lines are Center Street for East and West and Penn Avenue for North and South. ***Please keep your vehicles off the street on your scheduled day.*** This makes it easier for the leaf picker to pick up the leaves which in turn helps keep our storm drains clear. The schedule above is subject to change due to weather or holidays. If you still have leaves after leaf clean-up is finished (around December 9th), please bag your leaves and call the Borough office to have them picked up.

Thank you for your cooperation!

DEP Reminds Pool Owners to Handle Waste Water Responsibly

Water from swimming pools and hot tubs often contain high levels of chlorine. Discharging chlorinated pool or spa water into the storm drain is detrimental to aquatic life. Please contact the Borough office before discharging or lowering your pool water. Guidelines can be found at www.dep.pa.gov and entering "pool" into the search window.
