FALL 2017

Fall Leaf Clean-Up

Leaf clean-up has already started for 2017! Just a reminder that *leaves only* should be placed 6-12 inches from the curb before 7:00 am the day of collection. Please do not place sticks, grass clippings or other debris in with the leaves. Scheduled times are below:

Southwest	Tuesdays		Northeast	Thursdays
Southeast	Wednesdays		Northwest	Fridays

Dividing lines are Center Street for East and West and Penn Avenue for North and South. ***Please move your vehicles off the street on your scheduled day.*** This makes it easier for the leaf picker to pick up the leaves which in turn helps keep our storm drains clear. The schedule above is subject to change due to weather or holidays. If you still have leaves after leaf clean-up is finished (tentatively December 8th), please bag your leaves and call the Borough office to schedule a pick-up.

Thank you for your cooperation!

Code Enforcement

Cleona’s goal with Code Enforcement, including the International Property Maintenance Code (IPMC), is for the safety, health and welfare of the residents and to keep our Borough a community where residents are proud to live. Most of our violations concern grass and rubbish. Our ordinance states that grass be kept at a maximum of 6” in height and weeds down. Green waste must be removed within two (2) weeks. Below is our agreement with North Cornwall for disposing for your green waste. All rubbish and garbage needs to be kept in a plastic or metal, air tight container with a water tight cover and disposed of regularly by a licensed waste hauler. This not only keeps YOUR property looking great but helps keep your neighborhood free from rodents and other critters.

North Cornwall Green Waste Agreement

Did you know Cleona Borough has an agreement with North Cornwall to take your green waste? Acceptable items include tree branches (up to 5 inches in diameter), shrubs, twigs, garden materials, weeds, hedge clippings, flowers, plants, ornamental grass (tall & straw-like) and root systems free of dirt. Grass clippings, sod, thatch, fruits and vegetables from trees or plants are not acceptable. Residents who wish to participate will need to come into the Borough office to obtain a residency verification form before proceeding to North Cornwall Township. An annual permit costs \$30.00. A \$5.00 deposit is required for first issuance of key card (refundable at the end of the calendar year with return of the card) or you may use the “Pay-As-You-Go” method of \$4.00 per bag or container at each arrival.
